## Worksheet No.3 More on Hurricanes

1. Go to: <http://www.ns.ec.gc.ca/weather/hurricane/kids.html>
2. Answer the questions below.
3. Once you are finished exchange you answers with a partner.

1. What is the Key to hurricane protection?

---

2. Where should you be when the hurricane hits?

---

3. How do hurricanes get their names?

---

4. When during the year do hurricanes usually hit?

---

Now that you have collected a lot of information we can now make a poster on hurricanes! 😊
